Corporate Partner Spotlight: Nibbi Brothers General Contractors

For over 15 years, Nibbi Brothers has supported Family House through generous gifts of time, talent, and treasure. From board service to birthday parties; and from simple repairs to major construction, the Nibbi team's leadership has been central to the success in Family House operations and expansion. The Nibbi team made its most long lasting impact by constructing the new Nancy and Stephen Grand Family House in Mission Bay (completed Spring 2016), which was more than a job; it was a labor of love.

The company's President, Bob Nibbi, characterizes the firm's support this way: "We first became acquainted with Family House when we were selected in 2001 to renovate their building on Tenth Avenue. We quickly fell for the organization's powerful mission and the amazing staff who serve the families with tremendous love and spirit. It's been our honor to play a small part in the continuing success of Family House." During a stint as board chair, Bob led Family House through the acquisition of land in Mission Bay, strategic planning, and pre-campaign studies.

Family House is proud to partner with the Nibbi team in providing care, comfort, and community to our families in need.
