

Summer Volunteer High School Program 2024

Family House is seeking motivated High School students who are looking to make a difference in the lives of families with a child receiving treatment at UCSF Benioff Children's Hospital. If you are a high school student looking for a summer volunteer opportunity, our 6-week Family House Summer Volunteer Program might be a perfect match for you!

Are you interested in working with children and families? Volunteering at Family House is a great way to make a difference in your community, discover a new interest, make new friends, and have fun! Each week students will participate in activities including engaging with families, collaborating with peers and Family House staff, assisting with administrative & event support and facilitating daily tasks including large scale projects. If you are interested, please fill out a registration form below to get the process started.

Registration opens Monday May 6th, 2024.

Please visit <https://familyhouseinc.org/volunteer/volunteer-opportunities/> to register and we ask that you fill out the additional high school survey here:
